

On they come!---the funny, jolly
Revelers
for the Ad-Club opening of the
6 Days of Junketing
Jollification

of the Mid-Pacific
CARNIVAL
 February 21 to 26, inclusive

Again the season approaches for tossing aside dull care, for gathering about us the Gorgeous Garments of the Carnival Spirit,—for throwing ourselves headlong into the swirling maelstrom of fiesta gaiety.

A whole year has passed since last we loosed our hearts of the pent-up frolicsomeness of a year. Now, again, may our fun-loving toes trip in fanciful dance,—our fun-loving lips curl in smiles and laughter, and our fun-loving souls romp through the evenings of

6 long, bright, playful days
 6 days and nights of wild delight
 6 days of romantic, heart-throbbing gaiety.
 6 days filled to the top with unique,
 exciting sports

The first day's program will include many events of exciting interest, winding up with the maskers parade, the welcome of King Carnival, the Dance of all Nations on the streets in the Palace Grounds and the Mardi Gras Ball in the Armory.

All must have fancy costumes in order to join in the fun of these events.
